

# DUPLI-COLOR ICE FLOWER EFFECT

Ord.-no.: 101469

## Technical Information

Step into the enchanting world of DUPLI-COLOR ICE FLOWER EFFECT spray and transform any surface into a frosty wonderland. This innovative spray captures the beauty of ice crystals and frost flowers, offering limitless creative possibilities. Simply shake the can, apply evenly, and watch as a mesmerizing frost effect emerges.

### Quality & properties

- Waterbased
- Easily to remove with warm water and a scraper
- Captures the beauty of ice crystals and frost flowers
- Offers limitless creative possibilities
- Easy application
- Adds a wintry charm to any surface or event
- Creates mesmerizing frost effects

### Physical & chemical data

- Base: Polyurethane dispersion
- Colourname: transparent
- Smell: Characteristic
- Efficiency: 400 ML – 1-2 m<sup>2</sup>
- Dust dry: 15 min
- Dry to touch: 1 h
- Completely dry: 24 h
- Overcoatable: 24 h
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 4000/20 bar
- Relative density: 60 %
- Temperature Resistance: transparent 80 °C
- Storage stability: 5 y
- Content: 400 ML

### How to use

- The surface must be clean, absolutely fat-free and dry.
- Cover the surfaces not to be painted.
- Use DUPLI-COLOR Pastic Primer on plastic parts.

#### Environmentally friendly

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

#### Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

#### Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of February 24, 2025 – This release replaces all eventually earlier issued versions.
